San Diego, CA

[LinkedIn](#) | [Portfolio](#) | [Email](#)

SUMMARY

Customer marketing leader with a creative-operations foundation and 15+ years of experience turning audience insight into stories, programs, and systems that build trust. Proven track record of leading high-performing teams, partnering across Marketing, Product, Customer Success, and Brand, and connecting strategy to measurable customer and business outcomes.

CORE SKILLS

Customer Marketing Strategy • Lifecycle & Engagement • Customer Advocacy

Customer Storytelling • Voice of Customer • Cross-Functional Leadership

Creative Systems • Video Strategy • Team Development • AI-Enabled Workflows

EXPERIENCE

HOUSECALL PRO — Senior Manager, Customer Marketing

San Diego, CA | 2026 – Present

- Lead customer marketing programs that turn customer insight into useful journeys, stories, and experiences across adoption, engagement, loyalty, and advocacy.
- Partner across Customer Success, Product Marketing, Brand, Growth, and Sales to elevate the customer voice and connect post-sale moments to company goals.
- Build repeatable campaign and content systems for lifecycle education, customer storytelling, community, and advocacy.

HOUSECALL PRO — Senior Manager, Multimedia & Creative Strategy

San Diego, CA | 2019 – 2026

- Built and led an in-house multimedia organization supporting paid acquisition, product launches, brand storytelling, lifecycle marketing, and sales enablement.
- Designed scalable creative systems, guardrails, AI-enabled workflows, and review processes that improved speed, reuse, consistency, and executive confidence.

JC NAVARRO FILMS — Founder & Creative Director

San Diego, CA | 2014 – 2019

- Founded and operated a boutique video studio delivering branded content, documentaries, testimonials, podcasts, and campaigns.
- Led end-to-end creative strategy, production, customer relationships, budgets, and timelines for businesses and nonprofits.

IMPACT HIGHLIGHTS

- Built a scalable creative function supporting always-on acquisition, product launches, lifecycle programs, and customer storytelling.
- Expanded customer-facing storytelling through testimonials, education, and cross-functional launch work.
- Reduced creative rework and decision latency through clearer intake, prioritization, and review processes.
- Earned executive trust by tying storytelling decisions to customer needs and measurable business outcomes.

EDUCATION

Bachelor of Arts — Public Administration, San Diego State University

Graduate Coursework — Master of Organizational Leadership, Point Loma Nazarene University
